## High School Tryout Policy

As long as NSPAHA Bantam, U14, and U12 team tryouts are held prior to Boys' and Girls' Varsity and Junior Varsity Tryouts:

- a) Any player intending to try out for Varsity or Junior Varsity must declare that intent prior to the close of Registration. A player who fails to abide by this rule and appears on the ice for Junior Varsity/Varsity tryouts after making an NSPAHA team may be declared ineligible for the balance of the season of the NSPAHA team on which he or she is rostered. Any player declared ineligible under this paragraph will not be entitled to a refund of any NSPAHA fees or charges and the parent of any such player will still be responsible for complying with all NSPAHA volunteer requirements and for any team specific fees.
- b) So long as the Girls High School tryouts are held two weeks prior to the Boys High School tryouts, any player who makes the Boys Varsity or Junior Varsity will automatically forfeit \$400.00 of the NSPAHA registration fee and any player who makes the Girls Varsity or Junior Varsity will automatically forfeit \$300.00 of the NSPAHA registration fee. In addition, the parent of any such player will still be responsible for complying with all NSPAHA volunteer requirements
- c) Any player who unsuccessfully tries out for Varsity or Junior Varsity after providing the notice set forth in paragraph a above, may return to play on an appropriate NSPAHA team *if space is available*, but will not be guaranteed a place on their previous team or any other NSPAHA team. A player who is turned away by NSPAHA under this paragraph (after failing to make the Varsity or Junior Varsity) may request a partial refund of NSPAHA fees or charges and/or to be excused from further NSPAHA volunteer requirements. The NSPAHA Board shall have jurisdiction over any such request.
- d) Any player declaring their intent to try out for Junior Varsity or Varsity must pay all NSPAHA and any team specific fees in full before the player appears on the ice for high school tryouts. If payment is not made in full prior to said time, the skater will be declared ineligible for the balance of the season on any NSPAHA team.
