Treasurer (Gary Stadler)

- A Motion was made/seconded (Dave Epland / Steve Czech) to approve May's treasurer's report. Motion passed unanimously.
- Still waiting for our test drive Dodge fundraiser money – they have been called.
- Review of assets:
 - Need to pay vending expense.
- Polar Arena – conversations with Scott Dordac & Terry Auge. They want to raise ice fee from \$130 an hour to \$135 an hour. We need to be proactive to not let the school board raise ice costs too much or too fast. Issue is the school board wants to raise the ice rate up to \$160/hr in future years. They want to stay on par with Tartan.
 - We need a commitment from the school board for ice time.
 - We need to keep pressure on the school board so that they don't keep upping the rate every year.
- We may want to post school board information on our website regarding ice fees. This may inspire parents to attend the school board meetings.
