

Dear NSPAHA Members,

As you know, the ability to raise funds for NSPAHA has a direct effect on the cost you incur to have your sons and daughters play hockey. NSPAHA has been working hard on alternative sources of fundraising. We have developed a partnership with Prosperan Bank. Prosperan Bank is a local community bank located right in our community on White Bear Avenue. They have been very supportive of our community in the past, and once again have agreed to step out on the ice with us, and support our association. They have agreed to make a donation for each member that is willing to move their primary checking to Prosperan Bank. Like with any fundraising initiative, the more participation we have, the better the results will be for our association. We are asking each member for their support.

NSPAHA/PROSPERAN BANK PARTNERSHIP OFFER: Open any qualifying checking account for the following benefits:

- **Prosperan Bank will make a \$50 donation to NSPAHA**
- **\$25 to your account for switching to Prosperan Bank**
