Team Managers, NSPAHA

The North Saint Paul Youth Hockey Board has decided to participate in S.K.A.T.E. as an entire association this year. S.K.A.T.E. stands for “Skaters Keep Achieving Through Education” and is a program that encourages, supports and rewards youth hockey players who commit themselves to their schoolwork while enjoying the sport of hockey.

As the S.K.A.T.E. Association Coordinator our hockey association, I am asking that your team participate in this great program for the 2003-04 season. Please promote this free program to your team and encourage the skaters to participate. There will be some great prizes for the qualifiers!

This year, S.K.A.T.E. has partnered with the 10,000 Rinks Foundation/Minnesota Wild and Acceleration Minnesota, making the program even bigger and more exciting!

I have posted the posters and brochures on the web site to print and pass out to the skaters. Please make sure every skater gets a brochure.

Please feel free to contact me with any questions.

(MANAGERS, PLEASE GET THE LIST OF NAMES OF PLAYERS FROM YOUR TEAM THAT WANTS TO PARTICPATE IN THE S.K.A.T.E PROGRAM. REPORT CARDS WENT OUT A COUPLE OF WEEKS AGO. MITE MANAGERS EVERY ONE OF YOUR KIDS SHOULD QUILFY)

Sincerely,

David Epland epland@msn.com and Tim Cole Tim.Cole@churchdwight.com

North Saint Paul Hockey Association S.K.A.T.E. Coordinator
