THE ORIGINAL SPRING LEAGUE

How to pick the correct playing level

Level of play is based on where the player will be for the Winter 2012-2013 season.

Mite 1: Players typically with 0-1 year of hockey experience (suggested ages 4-6)

Mite 2: Players with limited hockey experience. Typically 2 years experience (suggested ages 6-7)

Mite 3: Players moving into their last year of mites and with at least 2-3 years of hockey experience (suggested ages 7-8)

Squirt A: Players entering their 1st year of Squirts in 2012-2013 or returning 'C' squirts that will likely play 'C' level again.

Squirt AA: Players returning for their 2nd year of Squirts in 2012-2013 or 'A' caliber players entering 1st year of squirts in 2012-2013.

**Season starts March 20th
and ends by May 8th**
(Dates approximate)
