

The girls hockey program announces:

Bring-A-Friend To Hockey

All current **girl** hockey players in NSPAHA and TAYHA may invite a friend to the “**Bring-A-Friend**” session at Tartan Arena.

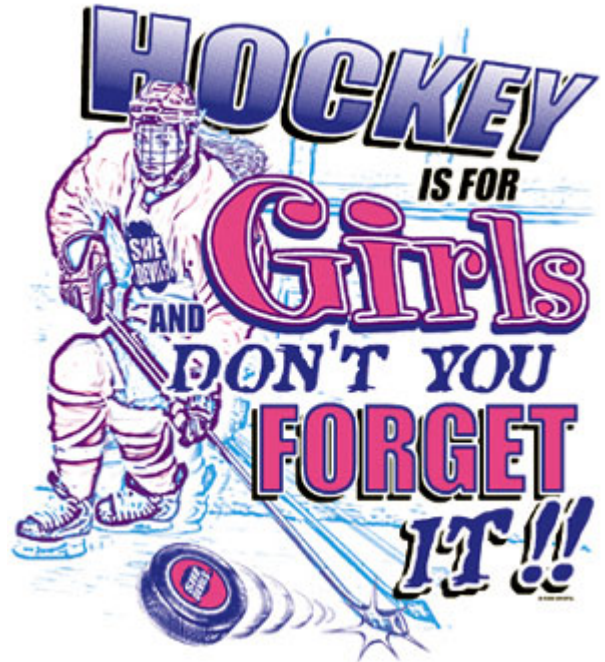

To qualify, your friend must be a girl that is not currently playing hockey and lives in the 622 school district.

During the ice session, players and friends can participate in fun, casual ice games that are supervised by certified coaches.

Association coaches and members will assist in providing skates, equipment & sticks for the friend(s) that you bring to try hockey.

Social hour

During the skating session, parents and players are invited to join us in the Blue Line Room (above the main entrance lobby) for refreshments and a social gathering. Your friend’s family will have an opportunity meet other hockey parents and learn more about the girls hockey program. Also, any girl hockey player that brings a friend will be entered in a drawing for fun prizes that will take place after the ice time.
