

# You've been invited to Try Girls Hockey *FOR FREE!*

You friend, \_\_\_\_\_, has invited you to join her and learn more about the fun she is having playing girls hockey!

The girls hockey program is sponsoring a **Bring-A-Friend** session where current girl hockey players invite a friend to come and try hockey with them. The girls program will help provide skates, equipment & sticks so you can try hockey.

For two hours, girl hockey players, their friends, certified coaches and girls hockey members will take the ice and participate in fun skills and games. Coaches and local Girl High School players will help new players learn skating and hockey skills. You will experience girls hockey and have a chance to score a goal!

## **Equipment**

If you don't have hockey equipment, don't worry, we have equipment available for you to use. Quantities are limited so make your reservations soon. We will reserve available equipment for you with your completed reservation. Pre-registration is necessary so we can help arrange the proper equipment for you.

## **Social hour**

During the skating session, join us in the Blue Line room for refreshments and a social gathering. Your family will also have an opportunity to learn more about the girls hockey program. Current players, coaches and parents will be there to answer any questions you have about girls hockey.

## **Schedule**

Sunday, January 28<sup>th</sup>, 2007

- 3:00 to 3:30pm – Put on the gear
- 3:30 to 5:15 pm – Ice time
- Parents can watch from the Blue Line room
- Drawing for prizes begins at 5:30
- Social time in Blue Line room until 6:00 pm
